Re: Your Public Records Act Request dated May 30, 2019

To Whom It May Concern:

This letter is in response to the follow-up requests you made to the Butte County Department of Development Services (the "Department") on May 30, 2019 and on June 6, 2019, in which you requested certain documents pursuant to the California Public Records Act (Gov't. Code section 6250, et seq.)(the "Act"). Your requests were received on June 3, 2019 and June 6, 2019, respectively.

Pursuant to the Act, the County of Butte responds to your request as follows:

Request:

"Under the exception to the exemption from disclosure in Govt Code 6254(f)(2)(A), please provide all complaints filed 're: Temporary Log Yards and Timber Processing Facilities in Support of the Camp Fire Recovery Effort as mentioned by our Director at the BoS meeting on May 21 (see https://buttecounty.granicus.com/MetaViewer/php?view_id=2&clip_id=661&meta_id=101308)'."

Response:

Government Code section 6254(f)(2)(A) requires that local agencies make certain information public. Here is that information: In one case, a code enforcement case was opened on 4/18/2019 concerning a Large Wood Operation at 0 Durham-Pentz Road. It was investigated on 4/18/2019, and a 30 Day letter was sent on 4/23/2019. The case concerns a zoning violation based on an illegal business for the storage of logs and tree related materials. This case remains active. In another case, a code enforcement case was opened on 5/9/2019 concerning an Unpermitted Logging Deck at an unspecified location. It was investigated on 5/13/2019. The case concerns a zoning violation based on an illegal business for the storage of logs and tree related materials. This case remains active.

This concludes the County of Butte's response to your Public Records Act request.

Very truly yours,

BRUCE S. ALPERT
